Dear Mr. Harris:

Thank you for your recent letter to General Cabell requesting his autograph and/or autographed photograph. A reply has been delayed awaiting General Cabell's return from a trip out of the country.

I regret that our response cannot be more favorable, but it has been and continues to be General Cabell's practice to provide autographs and photographs only to his close personal friends. I understand that the Director of this Agency, Mr. Dulles, has recently sent you his autographed picture.

With kindest regards,

Sincerely,

Lt. Gen. Charles P. Cabell, USAF

Dear Sir:

I should like to compile a collection of autographs of prominent Americans.

I hope you do not mind my imposing upon you and will permit me to include you in such a collection as I sincerely believe that you, through your inspiring efforts and outstanding contributions, have played an important role in enriching the lives of many people.

If you would be so kind as to autograph the enclosed card, I shall be very grateful. A stamped, return envelope is included for your convenience.

Of course, if you have a photo available that you could autograph, it would please me immensely.

With cordial best wishes, General Cabell, for much happiness and good health,

Respectfully yours,

Roger Harris
